300-Hour Teacher Training Program, Leading to Eligibility to Register as a RYT 500

The Integral Yoga® Academy at Satchidananda Ashram - Yogaville offers graduates of Integral Yoga Hatha Basic Teacher Training (TT) a 300-hour course of study that provides:

1. Individual, customized options for completing the additional 300 hours of teacher training required to apply for Yoga Alliance's* RYT-500 and E-RYT 500 credentials.

One of the most respected schools of Yoga teacher training in the world, Integral Yoga maintains four Registered Yoga Schools (RYS®) with Yoga Alliance. Integral Yoga teacher training has been offered for more than 40 years, and there are over 5,000 Integral Yoga teachers worldwide.

Integral Yoga is a pioneer as a healing modality in the west, and we offer programs that address special populations and common health challenges. Students can specialize in teaching yoga to specific populations by choosing from our listing of TTs and Therapeutic Yoga programs listed at www.yogaville.org and on the web sites of Integral Yoga Institutes and Centers. These listings include the approximate number of Yoga Alliance contact hours for which each program or TT is eligible.

Details and program highlights:

- In order to ensure a strong foundation in Integral Yoga teachings, it is required that your 300 hours of training include either Intermediate TT, Raja Yoga TT, or Meditation TT.
- The remainder of your curriculum may be customized from a selected list of Integral Yoga trainings.
